

Heritage Oaks Memorial Chapel.
6920 Destiny Drive
Rocklin, CA 95677

Owners: Ron & Chris Harder and Jim Beeding

It was the worst day of our lives when we tragically lost our son, Zachary Harder, in a drowning accident in 2006. Out of this unbearable grief came a calling to reach out to others during their time of immeasurable loss, as well as to guide them through the funeral process on the worst day of their own lives.

Just two years later, in 2008, we opened Heritage Oaks Memorial Chapel in Rocklin, CA, the oldest full-service funeral home in Rocklin, serving Placer County and the greater Sacramento area. It is a tremendous and meaningful opportunity to be there for our community as well as their families.

At Heritage Oaks Memorial Chapel, we have many services to offer, including funeral arrangements, cremation, memorial services, as well as prearrangements. We offer these services all at a reasonable cost.

To show our eternal gratitude to our veterans; each is honored with a plaque on our Veterans Wall of Honor. In addition, we assist with arrangements for interment at the Sacramento Valley National Cemetery.

It's crucial to emphasize the significance of sharing our experiences. During the months following our son's passing, grief support groups served as our lifeboat. As a result, we offer the necessary resources and urge those who are grieving to reach out for support.

We embrace your grief because we know that grief!
